Dear Jordan shipping association.

Subject: Shuttle Bus Service.

Dears,

This is to inform you that the shuttle bus service shall no longer be available by ACT starting 01/12/2018, due to very low demand of this service from ACT.

Any vessel crew needs to leave the terminal using any type of transportation from outside of the terminal should arrange their own transportation using external parties which would go into the normal procedures of acquiring needed approvals from Security/Safety department to enter the terminal accordingly.

Appreciate your assistance in circulating this announcement to all your good shipping lines/agents accordingly.

Yours Sincerely,

Alaa Bjan-Haja

Customer Service Manager
